[Despatch Abstract.]

Textiles Yarn Production
of B & C Mills District-wise Month
the Mill's Dealers

GOVERNMENT OF MADRAS
Abstract:

TEXTILES - Yarn - Production of Buckingham and Carnatic Mills - Distribution through the Mills' dealers - Ordered.

Development Department.

G.O.Ms.No.3088. Dated the 7th August 1950.

Read the following:--

From the Buckingham and Carnatic Co., Ltd., Sales No. 7/TRY/141/L dated 8-7-50.
From the Director of Controlled Commodities No.R.C.84700/50 D6, dated 26th July 1950, 27-7-50 and 28-7-50.

ORDER:

The Buckingham and Carnatic Mills, Madras, have proposed that they should be allowed to distribute their production of yarn through their own dealers in the interests of rapid and automatic distribution of yarn without a hold-up at any stage. They have claimed that the number of agencies will be reduced and the cumbersome procedure of sending production details etc. can be eliminated if their proposal is approved. The Government have carefully considered the proposal of the Mills and decided to try the scheme for a short period after which the question of allowing it to continue will be re-examined. They accordingly permit the Mills to distribute their production of yarn through their own dealers temporarily for a period of three months to begin with subject to the following conditions:

(1) The Mills should first supply the usual requirements of the Madras Handloom Weavers Provincial Cooperative Society.

(2) The Mills will be held responsible for the proper distribution of the remaining yarn through their own dealers.

(3) No State Nominee appointed by Government should be a dealer under the scheme;

(4) The Mills should select their dealers from among the existing licensees who will be subject to the rules and regulations in force.

(5) The mills will distribute yarn through dealers to the following sixteen districts, adjust the allotment to these districts and intimate the Director of Controlled Commodities of the details of their distribution etc.

(1) Madras, (2) Chittoor, (3) North Arcot, (4) Chingleput, (5) Nellore, (6) Salem, (7) Coimbatore, (8) Tiruchirapalli (9) Mathurai, (10) Ramanathapuram, (11) Tanjore, (12) Krishna, (13) Kurnool, (14) East Godavari, (15) West Godavari and (16) Guntur.

(6) The Mills will also intimate the Collectors concerned of the details of distribution and names of dealers etc. in their respective districts.

(7) The Collectors may address the Government for the removal of any dealer chosen by the Mills who may be found to be undesirable.

(8)

(8) The Government may modify or cancel the scheme at any time during its pendency if they are not satisfied with its proper working.

2. The Director of Controlled Commodities is requested to review the working of the scheme and submit a report with his recommendations for its continuance or otherwise, sufficiently in advance so as to enable the Government to pass orders in the matter before the expiry of the present sanction for the scheme.

(By Order of HisExcellency the Governor)

R.Koteeswara Rao,
Deputy Secretary to Govt.

To the Buckingham and Carnatic Mill Co., Ltd., Madras.
To theDirector of Controlled Commodities, Madras.
To allCollectors.
